Property Requirement

April 2023

What we need

Bensons for Beds are about to celebrate our 50th new store opening since November 2020. Our plan is for a further 20 openings per year for the next 3 years.

As always we will endeavour to give quick decisions and perform in a reliable and timely manner.

- Size 4k sq.ft – 8k sq.ft
- Preference for retail park locations
- Stand alone roadside units will also be considered
